Product description

Hydroliq ANIMAL is an electrochemically modified solution, without synthetic additives. Hydroliq eliminates 99.99% of all bacteria, viruses, germs, spores and fungi.

The pH-neutral disinfectant solution is very stable. Stability is guaranteed for 12 months after opening, provided the product is stored correctly (sealed).

Unique hygiene technology

Unlike conventional disinfectants, Hydroliq solutions leave no corrosive and/or toxic residues for the user and/or the environment.

Application

Clean teat thoroughly and wipe off. For preventive disinfection of the teats after removing the milking cluster from cows, sheep or goats. Application by spraying or rubbing in.

Area of use

In stables
Outdoors
Application on skin

Certification

Hydroliq ANIMAL was dermatologically tested by Dermatest and found to be "VERY GOOD".

Approval number: CHZN5775.03.002
